"AND THEN TO AM

WE TAKE pleasure in presenting Volume XXX of the HACAWA. In the years to come may it be a reminder of the days at Lenoir Rhyne College when you received instruction in her HALLs, claimed her CAmпус as your home, and hurried along her WAlks to work and to play.

With the increasing importance of international affairs, we should realize that in nationality we are not one, but many. The American of today is the product of all the peoples who braved the dangers of an unknown land in order to build there the land of their ideals. Every American immigrant from the first one who built a rude hut

ERICA THEY CAME”

on Roanoke Island to the last one who yesterday landed on Ellis Island came seeking a new country and a better life. For economic, political, social, religious or racial reasons they left their old homes. To the new one they brought a determination that the conditions from which they had fled would never exist in their chosen country. In the pages to follow we shall see what each of them contributed to American life of today.

MISS HELEN M. STAHLER

MR. KENNETH B. LEE

Members of the Music Department

IN appreciation of the faithful service rendered by the Music Department to the artistic, cultural and intellectual development of music students and music lovers and to the honor and fame of Lenoir Rhyme College, the Senior Class dedicates this HACAWA.

"In music we find both the vision and reality more than in any other art. Let us receive gladly the treasures in our midst, not pauperizing ourselves by self-imposed deprivation."—BENHORN.

THE COLLEGE

A CONTRIBUTION of spirit was made by the Scotch-Irish. Since they came to the new world to escape oppression, they would allow only freedom of religion, of thought and of government in their settlements. These fearless people stood so strongly for democracy that, through their Andrew Jackson, they established for all time the principle of "Let the people rule."

THE CLASSES

To the new land the English brought their language, their customs and their judicial system. Their laws ruled the colonies, their legal theories framed the Constitution, and their George Washington established order in the new nation. Between the old land and the new there were ties of friendship which even Revolution could not permanently sever.

SENIOR CLASS HISTORY

Early in September of 1935 the good ship "1939" pulled up anchor for a four-year cruise on the Sea of Learning. More than a hundred passengers gathered at Lenoir Rhyne to begin that voyage. As a whole, they were very inexperienced sailors, but under the leadership of Captain J. L. Beam the first part of the cruise was completed with great success.

On the second stage of the voyage, the passengers were known as Sophomores. For this part of the cruise Miles Whitener was elected to pilot the group. By this time the passengers had gained confidence and experience. They were beginning to accomplish many things. Some of the passengers had been influential in the ports of Scholarship, Literary Work, Dramatics, and Athletics.

Then the Ship "1939" entered into the third part of the journey. At this time the passengers became known as Juniors, and selected Marvin Cooke to be their leader. The passengers visited many ports, always adding to their store of knowledge.

And then came the last part of the cruise. With Ralph Sharpe in command the ship was guided on to still greater ports. Each person on board rejoiced as he saw ahead of him the greatest of the ports and the final one of the cruise—that of Wisdom.

During the four-year voyage the passengers encountered many storms, but they learned the true meaning of coöperation and friendship. They are now ready to leave the Ship "1939," confident that the cruise has been successful.

MASCOTS

PATRICIA ELIZABETH BOWMAN

Patsy is the three-year-old daughter of Mr. and Mrs. Carl E. Bowman. She has long, light curls, and is a perfect embodiment of the statement that "Gentlemen prefer blondes." But the ladies aren't jealous of her because she has captured their hearts too.

GLENN WILFONG

Glenn is the son of Mr. and Mrs. H. Bryan Wilfong. He is four years old and is a big he-man. He is also the dark and handsome type, with a seriousness that is always appealing.

JUNIOR CLASS HISTORY

The buds in our garden are rapidly changing into full bloom. Already we are beginning to catch a vision of the beautiful colors which by 1940 will be at the height of their loveliness.

In the fall of 1936 a happy band of gardeners, under the supervision of Vance Daniel, began turning the soil for the harvest to be reaped in June 1940. These seeds were not sown unnoticed by Professors and upperclassmen. Their hopes and expectations of the harvest were high.

The following year these overseers witnessed the arrival of many small plants sprouting from the soil. The plants grew rapidly and were carefully weeded and tended by the head gardener, Emory Carpenter.

At the beginning of this year 1938-39 a few buds began to appear. This year the gardeners chose Thomas Foard as their leader. Under his guidance and supervision the buds are now changing into full bloom.

In 1940 the completed garden will stand as a symbol of our accomplishments and achievements, and others viewing it will see that we have made our contribution toward a better and greater Lenoir Rhyne.

SOPHOMORE CLASS HISTORY

In September of 1937, we, the Class of '41, entered Lenoir Rhyne College as freshmen. Eager, curious, expectant, and determined, we began our first year here.

Soon after our arrival, our class, led by Wilfred Hahn, felt a desire to become a real part of the school and to accomplish things. Therefore we immediately began an active participation in the school life. We supported student body activities and furnished capable material for all athletics. Many of our number won scholastic honors. We were active in extra-curricular activities. Indeed, the class tried to become an integral part of the college.

The second year the Sophomore Class, with Robert Caldwell as President, has endeavored to accomplish even more. Our members have been more active than ever. This has been shown by further accomplishments in athletics, by winning new scholastic honors, and by their continued participation in extra-curricular activities.

This year we gave the annual Freshman-Sophomore Party in honor of the new students. We hope that they will take our place as we move forward.

With high hopes and with a strong determination the Class of '41 is surely marching to its goal—a better Lenoir Rhyne for everyone.

FRESHMAN CLASS HISTORY

Early in the Fall of 1938, the Freshmen arrived on the Lenoir Rhyne campus to begin a new life. We were frightened, as all Freshmen have been, but even this did not dim the eagerness with which we looked forward to taking up new studies and to forming new friendships.

All shyness was banished by the friendliness with which we were greeted at the Freshman Banquet. We were introduced to the Faculty, and we began to feel that there was a definite niche for us.

One of the high spots of the year was the election of class officers. We feel sure that we have chosen the most capable members of our class to lead us. Under the able direction of David Conrad we have had smooth sailing so far.

Already, members of the Freshman Class are active and outstanding in nearly all campus activities. We are looking forward to the next three years when we will have more opportunities to prove our worth in all activities on the campus.

We, who have long looked forward to this, our first year of college, are now looking forward to our second, third, and fourth years. We hope that they will be as profitable as this has been.

COMMERCIAL CLASS HISTORY

The old saying "Small but Mighty" well describes the Commercial Class, for it is composed of only ninety members, but is strong in all its efforts.

Upon entering the college the Business Students were frightened as to whether they were welcome. Before long this idea was completely erased from their minds. At the Freshman Banquet they were assured of a cordial welcome.

Our meetings have been most successful with the able leadership of our President, James Barker, and the assistance of our Secretary-Treasurer, Carl Annas.

One of our many enjoyable gatherings was the dance given in November. At our regular weekly meetings we have had interesting programs.

Throughout the year the Commercial Class has been noted for its work as well as for its co-operation in extra-curricular activities. We have been able to accomplish much with the aid of our two faculty members, Professor Creech and Professor Stubbe.

Soon we shall leave Lenoir Rhyne to begin our business careers. Let us take as our motto and strive toward it, the statement of Admiral Peary—"I'll find a way or make one."

ORGANIZATIONS

STABILITY and industry characterize the Germans who came to the new nation. The swelling tide of German immigration coincided with the feverish development of American enterprise. This situation, combined with German character and intelligence, made possible the phenomenal rise of men like Rockefeller. These people entered the ranks of American labor, and industry progressed because of their technical skills.

THE 1939 HACAWA

This year the HACAWA staff has followed the twenty-nine-year-old tradition of making the annual truly representative of life at Lenoir Rhyne College.

With this idea in mind, the pictures of the organizations were taken in the rooms where they meet whenever it was possible. Many of the snapshots were taken indoors where college students spend much of their time.

The Editor and Business Manager wish to express their appreciation to the members of the staff who have cooperated in compiling the book, to the Faculty Committee composed of Professor Yoder, Mrs. Deal, Professor Aderholdt and Dr. Marion, and to all who have assisted in any way.

We feel that if the Student Body gives to the next staff the cooperation they have given us, the HACAWA will continue to be a very important factor in the life of every Lenoir Rhyne student.

THE LENOIR RHYNEAN

As we face the close of another college year, the staff of the *Lenoir Rhynean* desires to thank the entire student body for their fine coöperation. It has been the earnest desire of the editors to give to the student body a newspaper which would be of interest and aid to them, and at the same time would reach as nearly as possible a point of technical perfection. Everything possible has been done to make the *Lenoir Rhynean* a newspaper of which every Lenoir Rhyne student could be proud.

The future looks very bright for the *Lenoir Rhynean* as student interest, inspired by the journalistic forums, is increasing. Next year, with a veteran staff to assist the editor, the newspaper should rise to even greater heights in the field of college journalism.

On April 22, 1938, the National Convention of Pi Kappa Delta at Topeka, Kansas, granted a charter to the local group, organized January 6, 1938, with Dr. Albert Keiser as President and Inez Seagle as Secretary. The local chapter is known as North Carolina Delta. Charter members are Joe Caldwell, Albert Keiser, Annie Lytle, David Miller, Jack Moran, Inez Seagle, Peggy Setzer, Dorothy Spratt, and Dudley Stroup. On May 30 the chapter was installed by Dr. Warren G. Keith of Winthrop College. Since 1928 Lenoir Rhyne speakers had been admitted to the General Chapter of this the largest forensic honor fraternity.

Alpha Tau Kappa was organized as a forensic honor society on May 3, 1934, under the leadership of Dr. Albert Keiser, head of the English Department and Director of Forensic Activities. At present there are two chapters, Lenoir Rhyne Chapter being designated as Alpha.

There are three divisions, namely, oratory, debate, and instruction. In each division there are three degrees: endeavor, honor, and distinction. Jewels on the key indicate the division and degree of each member. The Greek name represents the first letter of the Greek words meaning Truth, Skill, and Beauty.

INTERCOLLEGIATE FORENSICS

The forensic season of 1937-1938 marked the most extensive speaking program in the history of the college.

All the debates were on the question, "Resolved, that the National Labor Relations Board should be empowered to enforce arbitration of all industrial disputes." For the women, Peggy Setzer and Inez Seagle upheld the affirmative, while Dorothy Spratt and Annie Lytle, with Mary Beth Kuhn as alternate, defended the negative. The men's teams consisted of Dudley Stroup and Joe Caldwell on the affirmative and Vance Daniel and Jack Moran on the negative, with William Sipes as alternate. The teams won thirteen of the twenty-two debates in which they engaged. Thus for the eleventh consecutive year the college won a majority of her debates. In the South Atlantic Forensic Tournament which was held at High Point, March 3-5, 1938, with Dr. Albert Keiser, forensic coach, as Director, the women's teams tied for second place and won the N. C. championship. The affirmative defeated Winthrop, Farmville Teachers, Fredericksburg Teachers, and Appalachian Teachers, losing only to Maryville, while the negative won over Appalachian Teachers and Farmville Teachers, but lost to Maryville, Fredericksburg, and Winthrop. The affirmative men defeated Catawba, Elon and High Point, but lost to the University of Florida, Guilford, and Carson-Newman. The negative won over Maryville, High Point, Guilford, and Appalachian, but lost to Carson-Newman, and Catawba. At the Strawberry Leaf Tournament in December 1937, Inez Seagle and Annie Lytle were among the ten best women debaters and Joe Caldwell placed among the ten best men debaters. In the Best Debaters' Contest, Annie Lytle won fourth and Joe Caldwell fifth place.

Forty-five non-decision debates were also held, twenty-two of them at the Strawberry Leaf Tournament at Winthrop College, four at the Appalachian Mountain Tournament at Boone, February 4-5, two with Wake Forest, February, 10, four with Lees-McKae, February 18, and four with Boiling Springs, February 26, 1938. On a northern tour, which was the first extensive forensic tour in the history of Lenoir Rhyne forensics, two teams met between March 31-April 5, Roanoke College, Shepherd State Teachers, Gettysburg, Franklin and Marshall, and Westhampton College of the University of Richmond. One of the debates with Franklin and Marshall College was a radio debate, the first to be participated in by Lenoir Rhyne speakers.

In individual contests the speakers won a number of honors. At the Strawberry Leaf Tournament, Inez Seagle became Dixie Champion in both Harangue and Improvising, and Annie Lytle won the second Interstate Impromptu. Annie Lytle won first place in both Oratory and Extempore at the Appalachian Mountain Tournament. In the Southeastern Experimental Tournament at High Point, March 2-3, Inez Seagle won the After Dinner and Annie Lytle the Group Formulation Contest. In the South Atlantic Forensic Tournament, Annie Lytle placed first in both the South Atlantic and N. C. Extempore and second in N. C. Oratory. Dorothy Spratt ranked second in N. C. Women's Impromptu. With Inez Seagle representing Lenoir Rhyne in the Peace Contest at Elon College, May 6, the year's activities were brought to a fitting close.

The Lenoir Rhyne A Capella Choir was organized in 1935 by its present director, Professor Kenneth B. Lee, a former member of the world-famous St. Olaf's Choir.

The choir is now completing its annual series of tours, which takes its fifty-five members throughout the state, singing programs of the finest sacred music.

And noisy fame is proud to win them;
Alas for those that never sing,
But die with all their music in them."*

The purpose of Alpha Psi Omega honorary dramatic fraternity is to stimulate interest in dramatics at Lenoir Rhyne College, to give the students an opportunity for self-expression in playmaking, and to reward those who display unusual ability and development by membership in the fraternity.

The organization advances individual talent by conducting a playwriting contest each year, and the writer of the play judged the best is presented a medal for his work.

"Seek a life useful" is the motto, and virtue, temperance, patience, humbleness and godliness as well as obedience are the cardinal principles of the fraternity which every member is duty-bound to uphold.

THE PLAYMAKERS

The Playmakers have had a most successful year. George Ade's comedy "The College Widow," with a cast of fifty people, was presented as the Fall Play.

Many out of town performances have been given. A pageant, "O Christians Leagued Together," written by Mrs. Deal, has been presented to five district Luther League rallies. One of the most important activities of the year was attending the Spring Festival at the University of North Carolina, where they won first place in the state production contest with Fred Eastman's "Bread", and second place in the contest for original plays from senior colleges with Josephine Payne's "Sea Winds."

During the annual Drama Week the Playmakers acted as host to a tri-state meeting of the Alpha Psi Omega fraternity, sponsoring a contest between several of the casts. The culmination of the year's activities was the Commencement Play.

Beta Chapter of Gamma Beta Chi Fraternity was organized as a social fraternity of a high order. Numbered among the members are those who endeavor to uphold principles and ideals which are in keeping with the true spirit of Lenoir Rhyne.

The fraternity seeks to aid the growth of good sportsmanship, the development of honesty within the student body, high scholastic standing as a goal for all, and a spirit of good will among the students at large. Its aim is a better fraternity for a greater Lenoir Rhyne.

Iota Epsilon Omega, Lenoir Rhyne's honorary journalistic fraternity, has as its chief purpose the improvement of campus publications.

To accomplish this aim, during the first semester the fraternity sponsored the first "Open Forum" for the student body, to discuss the publications and arouse popular support, as well as to make suggestions for the improvement of the college publications.

A group of the fraternity members this year established "Tracer," the college monthly magazine. Generally humorous in its content, it has also examined timely topics and sponsored the election of "Miss Lenoir Rhyne."

On "Tracer's" board of editors are Emory Carpenter, E. L. Aiken, John Keith Shull, Gibbs Gibbs, and Frank Vander Linden, Editor-in-Chief.

The International Relations Club, a member of the Federation of International Relations Clubs sponsored by the Carnegie Endowment for World Peace, has been a vital factor for the past four years in making students internationally minded and conscious of important current topics. Every student is given an equal opportunity to express his opinion and enrich the discussion that follows each bi-weekly program of prepared reports. Professors V. V. Aderholdt and George Frederick Schott, are the faculty advisers for the Club.

THE QUARTETTE

The Quartette, under the able direction of Miss Helen Stahler, has been active for five years. It is now one of the most popular organizations of the college. The Quartette is called upon frequently by church groups and civic organizations of the city and surrounding communities. During the past year it has filled more than thirty engagements, singing both sacred and secular programs.

LADIES' BIBLE CLASS

The Ladies' Bible Class, as a division of the college Sunday School enables all young women living on or near the campus to participate in a program of Christian education each Sunday. Mrs. Luther Stirewalt leads the class in its work of fostering Christian ideals among the young ladies of Lenoir Rhyne College.

THE MEN'S BIBLE CLASS

The Men's Bible Class as a vital part of the larger college Sunday School endeavors to strengthen religious fellowship and foster a deeper study of Christian teachings. This year the class has evidenced a fine spirit, both in attendance and coöperation. The group has been very fortunate this past year in having as teacher Prof. M. L. Stirewalt, Jr.

DEMOSTHENIAN LITERARY SOCIETY

Conducted in conjunction with the work of the English and Public Speaking Departments, the Demosthenian Literary Society has as its purpose the promotion of self-expression among students. Programs are based on topics of literary and cultural interest. During the past year a record enrollment of over a hundred has been reached, and unusual interest has been manifest in the work of the Society. Dr. Albert Keiser is faculty adviser.

THE LUTHER LEAGUE

The Luther League strives to emphasize the religious values of college life, and in this realm of activity it has been very successful. Working in coöperation with the Lutheran Student Association, the group will entertain the 1939 Ashram of the Lutheran Student Association of America. Here for the first time Lutheran students from all parts of the United States will meet in the South.

The League seeks to develop students into religious leaders and build for a greater Lenoir Rhyne through the channels of moral development.

CHEMISTRY CLUB

The Chemistry Club has as its purpose the stimulation of an active interest among students in the advancement of Biology, Physics, and Chemistry, both theoretical and applied. As aids in its program, men professionally acquainted with the sciences are invited to speak at the bi-weekly meetings of the club, and each year various manufacturing and industrial plants are visited.

Much appreciation is due Dr. Marion for his able assistance and counsel as faculty adviser.

GIRLS' CHOIR

The Girls' Choir, under the excellent direction and supervision of Miss Helen Stahler, has continued this year the rapid progress noted since its organization last year.

This choir is becoming very popular and is in demand for various types of services. It has been heard in the churches of the city with much approval. The Girls' Choir serves as a supplement to the A Capella Choir, which draws upon it for many of its members.

DIAKONIAN CLUB

The Diakonian Club, as its name implies, is an organization composed of boys who are interested in Christian service. Aside from the weekly devotional meetings held every Wednesday night, the Club offers its assistance to any civic organization or church which might desire its services. The activities engaged in this year have been centered around the work in CCC camps, prison camps, and in fostering a wholesome spiritual atmosphere on the campus. The work of the state organization of ministerial students has also been participated in by the Club.

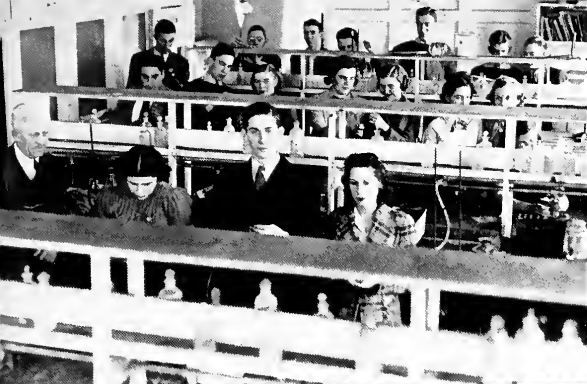

MUSIC CLUB

The Music Club, composed of sixty music students and lovers of music, seeks through its monthly meetings to advance an interest in, and promote the culture of musical art on the campus.

The requirements of the National Federation of Music Clubs have been met by the local organization. Programs have been based on the Federation rating sheets and on the book *The Appreciation of Music* by Mason. A recital by Miss Caroline Stack, rising concert soprano, was sponsored by the Club.

The Lenoir Rhyne College Band, under the direction of Mr. Jay Hoffman, was organized in the fall of 1937. It became so popular that this fall the Student Body, with the aid of outside friends, purchased band uniforms.

Miss Farrar Rhyne was selected as Drum Major. During the year the band played for football games, basketball games, May Day, and on other special occasions. The outstanding event of the year was the Band Concert.

ATHLETICS

AFTER the first wave of pioneering had passed, it was the intrepid Scandinavians who developed the industry and agriculture of our great north-central regions. Strong and stalwart, brave and daring, their dauntless spirit is exemplified in their Charles Lindbergh. Long after men have ceased to remember what country their ancestors came from, the contributions of those early settlers will continue to live in the American nation.

COACHING STAFF

R. M. "Pat" Shores was reinstated in the fall as head athletic coach of Lenoir Rhyne College, replacing Albert Spurlock. This is Shores' eighth year as coach at the local institution.

In football, Shores, with the aid of his newly appointed assistant Clarence Stasavich, put on the gridiron a bunch of Grizzlies who scrapped with determination. The varsity basketballers beat the best—High Point College—and also lost to the best. The start of the baseball season promised one of Lenoir Rhyne's greatest in years.

Clarence P. Stasavich returned to his Alma Mater after three years of coaching at Campbell College. In football he acted as line tutor, and built up a good defensive wall.

As Freshman basketball coach his team won a majority of their battles, and his Girl basketballers turned in a perfect season's record. He also took over duties of tennis coach and has helped Lenoir Rhyne's net squad a great deal.

Stasavich, when in Bear football and basketball uniforms was the best in the Conference, and his teaching by actual experience is expected to help Lenoir Rhyne athletics very much.

FOOTBALL

Lenoir Rhyne's gridsters spent the first part of the 1939 season growling, whined around during a few of the mid-fall contests, but drew the curtain cord with rampage smeared all over their faces. The season's record posted four victories, two deadlocks, and three defeats.

The initial appearance of the Bruins was made against Roanoke at Salem, Virginia, a battle which watched two vicious elvens scrap to a 12 to 12 deadlock. Following this well-played first game exhibition the Grizzlies topped High Point 27 to 6 and W. C. T. C. 40 to 0. Elon pushed over a couple tallies in the final half to nip the Shore-Stasavich crew 14 to 6. The locals finished a four-game home stand with a hard-fought 6 to 0 decision over Guilford's Quakers.

A jaunt to Maryville, Tenn. netted the Bears only a 12-all score, and on the following Friday lost to Naval Apprentice 6 to 0 in the latter's port.

Lenoir Rhyne celebrated the signing of the Armistice by losing to the whiskered men from Appalachian 7 to 0, but really put on a celebration when the annual

Turkey Day classic with the mighty Catawba Injuns rolled around. The Bears left them tomahawkless with a 14 to 7 score, as Jupiter Pluvius became abundant with his fruits.

McSwain, Lockman, Sigmon, Amendola, and Little will be lost by graduation. Tucker, Persianoff, and Sigmon rated All-Conference, while James Garrett grabbed a place on the official "Little All-American." Joseph Persianoff has been elected to captain the 1939 club, succeeding Cecil Sigmon.

When mess flipping time rolled around last winter, she found that the den here at Lenoir Rhyne College was in quite a bit of turmoil, as four varsity basketballers were on the sidelines with injured appendages.

Throughout the season Coach R. M. "Pat" Shores had the word injury on his mind. Dom Mando, All-Conference guard of the previous year, played only a short while in several games, as did Charles Brown. Clyde McSwain was unable to participate at all, while Joe Amendola watched from the sidelines during the opening games.

The season's record gave the Bruins eleven victories and the opposition ten. In North State Conference meetings the locals won eight and lost six, finishing in second division.

Freshman Chester Herdzig, the fastest moving forward in the "Little Six" circuit, was individual high scorer for Lenoir Rhyne, meshing 184 points. His point average per game was 12.3. Herb Sampsel followed the top-notcher with 156 tallies.

Graduation will take a heavy toll of the basketball squad, carrying off Joe Amendola, Bill Tucker, Edgar Tuttle, Felix Little, and Clyde McSwain. William "Wild Bill" Tucker and Joe "Stinky" Amendola were Co-Captains during the past season. Dom Mando has been chosen to captain next year's quintet.

The total points scored by the entire Bear roster were 806 to 763 for the opposition.

Under the tutoring wings of Coach Clarence P. Sasavich the Frosh basketballers toiled during the winter months and as a result of their laboring won six skirmishes and lost four.

The green lads started off with a bang thumping Hickory High, Claremont, and Mitchell, but followed this up with a couple setbacks from Appalachian "B" and Boiling Springs. The youngsters closed the season in a blaze of glory, pounding the hoop for 79 points against Mitchell College, while the latter managed to

get 19. The Boiling Springs battle, which ended 33 to 32 in favor of the foreign foe, was acclaimed by many as the greatest Freshman scrap of the season.

Philip Little led the scoring for the season with 66 tallies. Bolick was second with 43, and Gibson finished third with 35.

The traveling squad consisted of Little, Bolick, Gibson, Evans, D. Conrad, Gurley, Intieri, M. Conrad, and J. H. Sigmon.

GIRLS' BASKETBALL

Lenoir Rhyne's undefeated Bearettes closed their 1939 basketball campaign with the greatest record ever achieved by a sextet wearing the red and black. Bowling over their opponents in rapid succession, the co-eds chalked up nine wins and were once tied as they scored 273 points to the oppositions 154.

Coach Clarence Stasavich had complete charge of the coaching duties during the past season adding a new spirit and determination to the lassies resulting in a much improved team and high honors for the L. R. Girls.

The Bearettes opened the season with victories over the Alumni, Claremont and continued their winning streak with double wins over Appalachian, Mitchell and Wingate. A 24-24 tie suffered at the hands of the Boiling Springs sextet was the only mark on the almost perfect record but the local girls secured partial revenge as they won a decisive 39-23 victory over the Shelby six in the following encounter.

Captain Ruth Wright led the Lenoir Rhyne sharpshooters with a total of 115 points followed by Freda Smyre's 47, Margaret Sigmon and Pauline Yount scored 33 and 32 respectively.

The sensational defensive work of Evelyn Barringer, Frances Wike, Inez Seagle and Daisy Dean Boggs helped to account for the majority of the wins as they held their opponents to almost half the points scored by the Lenoir Rhyne forwards.

The Lenoir Rhyne baseball team of 1938 played a total of 19 games, winning 12 and losing 7. The Bears played consistent ball, but lost 5 games by a one-run margin and lost 2 contests by two tallies.

Jim Garrett, Bear outfielder, led the hitting for the second consecutive year with a percentage of .406, although he played in but 13 of the 19 games. Of the veterans who played in all of the contests, Ed Newton led the hitting with .380, followed by Norris Childers whose average was .368.

Felix Little was the mainstay of the pitching staff, winning 4 games and losing 3.

The batting average of the entire team was .278, and the fielding average .929.

Other Bears hitting over the .300 mark were Perry, Sampsel, and Quinn.

TENNIS

Bruin racqueteers of 1938 established probably the greatest seasonal record of any tennis squad in the history of this institution. The record shows the Bears topping eight opponents, deadlocking one, and dropping one.

The local tennisters finished second to Elon in the North State Conference, losing their only tilt of the season to the Christians.

In singles matches Lenoir Rhyne was victorious on 39 out of 50 tries. 13 wins, four losses, and two ties were racked up in doubles meetings.

Berge Beam, number five player, chalked up the best record of any team member, winning ten matches and losing none. Wilfred Hahn, Freshman who held down the number two position, was not far behind Beam, being defeated in only one out of ten tries.

Jack Mauney captained the 1938 squad and Frank Eford served as manager. Bill "Primo" Kennedy is the present tennis captain and Berge Beam is serving as player-manager.

CULTURE and gracious living came from the French. It was they who, in the midst of a new wilderness, eased the rigors of living by appreciating its beauties. As other people cherished political or social ideals, the French preserved aesthetic values. They combined in their living, as Sidney Lanier did in his poetry, all the art and music of the world.

Just as cotton goes through the mill to be put into shape for men to use, young men and women go through college so that they may be prepared to be of greater service to the world in which they live.

Seniors, we congratulate you on the completion of your college education, and we wish you the greatest success as you enter your chosen fields of work.

School Annual Engravers

Charlotte, North Carolina

COMING here at the close of so many hours of planning and work by the staff . . . any message we might add in this, our own advertisement, would savor a bit of self praise.

Yet, unseen in this example of fine book making is the day by day co-operation of our personnel, whose experience and training in the production of annuals has bridged many a pitfall for the staff.

If, as you peruse the pages of the HACA WA and are impressed with their excellence, you too, would like to avail yourself of our services whether annuals or commercial printing we'd deem it a favor if you would ask us to call.
